THE WAR ON WANT

War on Want is not like most other charities. War on Want seeks to eradicate the *causes* of world poverty, rather than simply treat the symptoms.

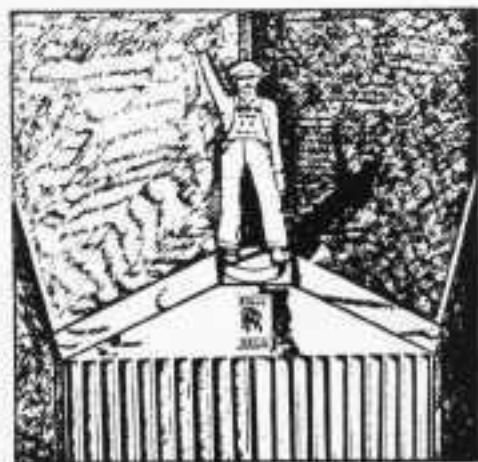

That's why when you give money to War on Want, you know it will be used to fund practical and progressive projects and campaigns which get to the root of the problem in Britain and in the Third World.

You can also become a member of War on Want for just £5. Or get your trade union branch to affiliate.

War on Want members take part in policy making, and help decide *who* will benefit.
