FEATURES

6 The Apartheid Effect • Britain and South Africa Sarah Benton

South Africa is likely to have a much bigger impact on British politics than Vietnam. Already Thatcher is in big trouble.

12 Divisions in the Lager- Roger Omond

New tensions are appearing in the Pretoria regime. But it is far from disintegrating.

16 Latin America: Can't pay.. .Won't pay? John Wells

Latin America has been steamrollered by the debt crisis. As yet no country has defaulted, and now this looks unlikely, though not impossible. Meanwhile the region has suffered an unprecedented economic contraction.

24 Guilty Secrets: the role of women's therapy Susie Orbach

Women's therapy emerged out of the women's liberation movement. But the movement's decline over the last decade has thrown up new and difficult problems for the former.
