FEATURES

**8 A Royal Coup: Mrs Thatcher vs the Queen •
Andrew Gamble**

In July a constitutional crisis seemed possible. Was the queen really as
critical of Mrs Thatcher's policies as the *Sunday Times* reports implied?

16 NewWave Unions •

Interview with John Edmonds

On the eve of the TUC the General Secretary of the General Municipal
Boilermakers and Allied Trades Union, talks to Beatrix Campbell about
the options that lie ahead.

17 The State of the Movement-

Charles Leadbeater

Since the late 70s the unions have been urged to change. What are the
pressures being brought to bear and how well equipped is the movement
to deal with the changes.

28 Unemployment-the resistible force-

Bob Rowthorn

Is mass unemployment a permanent feature of modern capitalism. It's
not the case throughout Europe. The role of the working class is crucial.

32 Why Do Women Write?

Grace Nichols and Fay Weldon

Women's writing is now big business. But what motivates women to
write?

36 The Sectarian Divide: Ireland after the Accord •

Paul Bew and Henry Patterson

Ten months after signing the Anglo-Irish Agreement at Hillsborough,
both Protestant and Catholic violence has intensified. The future looks
bleak.

How does 20p a day turn your micro into a MAINFRAME?

Impossible you say! Just 20p a day for all that power?

No it's not a joke, nor a trick question. The answer is Micronet. The network that links your computer by modem to the most exciting interactive database in the U.K.

All for 20p a day subscription and the price of a local, cheap rate telephone call.*

So what does Micronet offer that has excited 20,000 people to join.

Well, for a start Micronet is an excellent way to keep up-to-date with the very latest information in computing. Our database is continually updated by our team of professional journalists who search out the stories behind the news.

But Micronet is much more than a news service - our revolutionary mainframe Chatlines give you the power to hold real-time conversations with up to 20,000 other users, instantly.

Our free national electronic mail system allows you to send and receive confidential mail to friends and businesses 24 hours a day.

You can even take part in the latest multi-user strategy games. Starnet for example, allows you to compete against hundreds of other "Star Captains" for domination of the galaxy.

Or win big weekly cash prizes by competing in the 'Round Britain Race' which makes use of the latest viewdata technology to challenge you to find secret locations.

Every day new *free* and discounted software is made available for downloading direct to your micro.

Teleshopping is the ultimate way to seek out high street bargains... or holiday and hotel bookings... computer dating... rail and airline information... Jobsearch... homestudy and schooling... ideas, information and
