Exclusive Interview
By Beatrix Campbell

This advertisement has been produced and paid for by supporters of the African National Congress. Formed in 1912, the ANC stands for a new South Africa, a South Africa where racism will be a thing of the past and where human dignity and equality will prevail in the life of the country and its people.

THE INJUSTICE OF APARTHEID WHAT CAN YOU DO?

“Apartheid denies to the majority black population their most elementary human rights. Apartheid makes South Africa the only society in the world which discriminates in all its laws on the basis of race. Blacks are denied all political, economic and basic human rights. They are not allowed to vote. They cannot live where they choose. They are denied the enjoyment of family life.

In South Africa today, people – both black and white – are in open revolt against apartheid. Their courageous stand has led to widespread detention without trial, torture and more killings.

The problem seems enormous; it is. But every reader of this magazine can do something. If governments will not take action, then it is up to the people they are meant to serve to take action themselves.

Please: **Send for information.** We believe that people throughout the world have a right to know what is happening in South Africa. This is in contrast to the South African regime's ban on reporting current events. Return the coupon and we will gladly send you an information pack.

If you can: **Make a Financial Contribution.** The ANC needs funds to continue running its schools and hospitals for refugees from the horrors of Apartheid. Publishing information to keep the world informed about South Africa is also an expensive business.

The people of South Africa need your help. Thank you for your attention. ”
