# FABIAN society

"Only a society which can imagine the plight of its weakest members, and legislate for their inclusion into society rather than their virtual expulsion from it, can call itself a just or equal society. I remain a renegade with Shaw, in my view that some form of equality of income is a crucial component of socialism and of a just society, and could it be introduced as a visionary millenarian experiment in the year 2000 I would raise my glass of as yet unharvested champagne and drink to its success."

*Margaret Drabble*

- Case For Equality. Margaret Drabble, £1.00
- The Politics Of Prosperity. Charles Leadbeater, £1.50
- A New A-Z of Income & Wealth. Thomas Stark, £1.95  
 'Potentially more damaging to the Government than Spycatcher'  
*Frank Field MP*
- Can Governments Manage The Economy? Jim Tomlinson, £1.50
- Market Socialism: Whose Choice? Edited for the Socialist Philosophy  
 Group by Ian Forbes, £1.50
- Bringing Common Sense To The Common Market. David Martin, £2.00  
 Foreword by Neil Kinnock

 by, Labour is at last starting to do some serious thinking about Europe'

# What will the 90's be like?

**When an opponent like Thatcher sets the agenda it's easy to trail behind...**

**Yet the Left has to think through what the next stage will be. Reiterating the need for "socialism" is not enough.**

**The Communist Party is involved in a major review of socialist strategy. Our ideas can help shape the 90's... and beyond.**

**Get in on the rethink.**

**Get in on the action too. Take one issue – the Poll Tax. During the last 6 months the Communist Party has issued 300,000 leaflets attacking it, organised 100 public meetings discussing it, issued a best selling pamphlet analysing it, popularised an alternative to it, and helped get the PEOPLES PETITION AGAINST THE POLL TAX going.**

Please send me a copy of the forthcoming discussion document on the 'British Road to Socialism'. (Enclose SAE).

Please send me a copy of the 'British Road to Socialism'. (40p + 24p postage).

Please send me a copy of 'Poll Tax – How It Will Hit You' by John Peck. (80p + 13p postage).

Please send me a free copy of '7 Days', the Communist Party weekly campaigning paper.

I wish to join the Communist Party.
