# Book your place for Glasnost.

(for only £5,  
plus p&p)

READERS INTERNATIONAL (RI) publish world literature. The very best. Year after year. Subscribe to RI's annual series of six hardcover volumes - at paperback prices - and we'll send you the Nobel Prize Winner Joseph Brodsky's new book, *To Urania...the Nobel Edition of his works...absolutely FREE.*

Soviet households spend one man-month a year queuing up. See *homo sovieticus* from the pavement upwards: read Vladimir Sorokin's *The Queue*, a jeu d'esprit of muscovites. Waiting for Glasnost. "If queues were arranged in order of merit," says *The Guardian*, "Sorokin would be at the head."

With an annual subscription we'll send you - FREE and in hardback - the Nobel Edition of Joseph Brodsky's new and collected pieces, *To Urania*. Hear the sea-roar of Brodsky's majestic Russian, rendered into our language in close collaboration with the Nobel Laureate himself - a writer with "a formidable, sinuous command of English." (*Time*)

RI's recent titles include *El Infierno*, Uruguay, "the best piece of writing to cross this desk in 1988" (*Glasgow Herald*); *The World Elsewhere*, India, "the best fiction I've read in two years of round-ups. Nuff said" (*City Limits*); and *Fools*, South Africa, "surpasses anything else in South African fiction" (*Village Voice*). Coming titles include the best fiction from South Korea, Morocco, Argentina and Brazil.

RI works like a magazine subscription. Every other month you get a timely new book: handsome hardcover editions at the special subscriber price of £5.00, plus £1 p&p. Many were banned at home or written in exile: RI is committed to publishing literature in danger. Give these powerful writers a voice in English. Return the coupon without delay.

"A splendid and important enterprise and worth supporting." - *The Financial Times*

"With each new offering, RI's list becomes more impressive."

- *The Washington Post*
