Many happy returns to us

Son... phew, what a scorch!

X-rated lingerie, loodie knockers, evil Rotweilers, banking bishops, page 7 feller and loony lefties. Just some of the stories we've fearlessly turned into sensational scandal for you over the years.

What could happen in three-card monte, our strange-accurate predictions of pop stars and real time, our historic crusades FOR (or) AGAINST... compulsory franchise... AGAINST... AGAINST... AGAINST anything in the bit of Croydon, Kent...

in the Age of... is it that a... fact?

We call the... WOP... YOU... FRODO... We're... and... We... we have boys... the... AGAINST... Our... wanted... And they... right behind... with a... 200...

In 1963 we had... and... and... we had... you did... the place... the... AND STILL YOU... BACK FOR... MORE!

And so, throughout 2... wishes... wishing... all HAPPY BIRTHDAY!

at the Barbican Centre 25 October - 21 November

A celebration of the fine and applied arts and architecture in Hungary at the turn of the century, including paintings, graphics, sculpture, furniture, stained glass, porcelain, costumes and jewellery. *A Golden Age* traces the move from the academic styles of the late 19th century to the development of Hungarian Art Nouveau with its particular fusion of modernism and folk traditions.
